<sup>1</sup> APY = Annual Percentage Yield

<sup>2</sup> Typically maintains balance over \$5,000 and has a large volume of transactions. Earns dividends that may offset transaction fees; dividend rate is based on daily balance.

<sup>3</sup> All savings dividend rates are variable. Dividend rates and annual percentage yields may change at any time due to market conditions.

<sup>4</sup> Minimum balance requirements apply to average daily balance (amount of principle in account each day) to earn stated dividends.
