Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Share Savings, Sub Savings, Mortgage Payment Savings, C.U. CASH Kids Club, Holiday Club, IRA Money Market, Money Market, High Yield Money Market, and Checking Plus accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. IRA Money Market, Money Market, High Yield Money Market, and Checking Plus accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Share Savings, Sub Savings, Mortgage Payment Savings, C.U. CASH Kids Club, Holiday Club, IRA Money Market, Money Market, High Yield Money Market, and Checking Plus accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Holiday Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

5. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Primary Share Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Share Savings, Sub Savings, Mortgage Payment Savings, C.U. CASH Kids Club, Holiday Club, Money Market, High Yield Money Market, and Checking Plus accounts, there is a minimum daily balance

required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

6. ACCOUNT LIMITATIONS — For Share Savings, Sub Savings, C.U. CASH Kids Club, IRA Money Market, Money Market, and High Yield Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Holiday Club accounts, the entire balance will be transferred to another account of yours on or after October 1 and the account will remain open. You may not make withdrawals from your account at any other time. If you wish to access the funds in your Holiday Club account, you may close it. For Mortgage Payment Savings accounts, withdrawals are allowed only for the purpose of repaying your credit union mortgage loan. All withdrawals will be made by the credit union on your behalf. For C.U. CASH Kids Club accounts, you must increase the balance in your C.U. CASH Kids Club account to \$25.00 within one year of the date you open your account, or your account may be closed. For Basic Checking and Checking Plus accounts, no account limitations apply. Basic Checking has the following elements: 1) No minimum balance is required; 2) No monthly or periodic fee; 3) No fees for checks written or deposits made; and 4) No limitations on the number of checks written or deposits, including requiring direct deposit.

7. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charge for current fee information. For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your

consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

8. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.
Par Value of One Share \$25.00
Number of Shares Required 1

9. RATES — The rates provided in or with the Rate Schedule are accurate as of the last dividend declaration date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate information on your accounts, please call the Credit Union. Deposits are insured up to \$500,000 – the first \$250,000 is federally insured by NCUA and the next \$250,000 is privately insured by ESI. This is the highest combination of federal and private insurance available to consumers.
